After-dark entry & exit

No vehicles will be allowed to drive into camp after **8 PM** during the event (Thursday-Friday). After-dark shuttles will be provided from Parking to help get people and their essentials into camp only on Thursday and Friday nights. No large equipment, infrastructure, or loads allowed on shuttles. You may walk in as much as you can carry! No cars on the roads after 6pm on Saturday and Sunday.

Load In/Load Out Policy

During daytime hours, you can drive your car into camp, unload, park your car in parking, THEN come back to set up. Do not let your car sit at camp as you unpack - it causes traffic issues.

Parking

Our main parking Lot is located in the southwest part of the property - the Garden Lot. The old parking lot is being used for temporary Darkness Parking and early arrivals. Unless you have express permission from the BOD or if you arrive after dark, you are to park in the Garden Lot only. **Park tight and right!** **If you missed the mark and did not purchase your parking pass with your ticket ahead of time, parking passes will be sold at the gate for $10. CARD ONLY.

In and Out Policy

We kindly ask that you come prepared to stay at the burn and to leave your car parked to help reduce wear and tear on the land. If you leave the property, you are not guaranteed parking where you were parked before. If Gate closes after you leave, you won' t be allowed back in until Gate reopens. You must retain your wristband to re-enter the event. If you choose to leave the event and you lose your wristband, you may not be allowed back in as no tickets are being sold at the Gate.

Traffic

Clockwise ONE-WAY traffic on both the Main Loop and Back It Up Blvd. From the gate, enter the venue by turning left. The burn field will be on your right when you hit the crest of the hill. Follow the Main loop up the hill and around through The Crawl. To get to Back it Up Blvd, take a left and head down the hill. At the bottom of that hill, follow the road right and continue on to The Garden of Earthly Delights and Garden Lot (Main Parking). This road is ONE-WAY traffic as well.

Shuttle Service

Shuttles will be making the rounds at the burn to help burners get around the burn easier and faster. **Everyone can use the shuttle, but persons with mobility issues take precedent.**
The Shuttles will make stops at these spots in (hopefully) this order:

The Hive→ The Triangle at bottom of the Main Loop → Teaberry Terrace @ Illumination → End of Teaberry Terrace @ Flat Mars Society → Teaberry Terrace @ Illumination (again) → Darkness Parking Lot → Gate → Ice → Gate (again) → Darkness Parking Lot (again) → The Triangle at bottom of the Main Loop (again) → Open Camping: Log Camp → Open Camping: Garden → Garden Lot → Open Camping: Garden (again) → Open Camping: Log Camp (again) → Junction of Pied Path and Back It Up Blvd. @ Cafe Devito → The Deadly Mint → Up the Hill to the northside of the Deadly Mint → Start of The Crawl → Main Loop @ Fetch → The Hive → Repeat.

**Stops will not be made willy-nilly. No overloading of folks on the cart please - 1 person per seat. Shuttles cruise at 5 MPH only please.

Open Camping

Open camping is marked on the map, but there is plenty of land available outside those parameters. **Always double-check to make sure you are not setting up in a theme camp's area** (look, listen, discuss) **or near the Temple/Effigy.** It's like the Homestead Act of 1862, but burn-style. **NO FIRES IN OPEN CAMPING.** This rule is in our venue contract.

|The Hive| Participation Station / First Aid / Motor Pool / Lost & Found

Need First Aid? Do you need to know when your volunteer shift is - or sign up for one? Lost your burner cup? Stop by The Hive, the home of several burn services located in one central spot! Located at the top of the Thrill Pill neighborhood before going up the hill. ****NOTE: First Aid will be a self-serve stand-alone station this year**. If you need someone with more knowledge to answer a first-aid related question, please use the walkie-talkie at the stand-alone station OR go to the Hive to find a volunteer for help contacting our First Aid On-Call.

Pink Lamp Camps

Need help on the mountain? Go to your nearest Pink Lamp Camp! PLCs are theme camps who support the burn principles of Communal Effort and Participation by helping to provide assistance where and when you need it. If you have a problem that you just can't solve on your own, seek out seek out the nearest Pink Lamp camp–recognizable by a lantern logo sign and Pink Lamps and also noted on the Summerisle map and theme camps list- where someone with a radio can make a call for whatever assistance you require. **2026 Pink Light camps are Aural Exploration, Brrrly 10 Pint Men, Camp Jellyfish, Cenosilicaphobia, The Deadly Mint, Dirt Go Brrr, Loud Erudite Goblins on Fire, Mad Tea Party, Realm of Fae, and Thumbs You I'm a Wizard.**

Sanctuary

Sanctuary is the calming place to go when you are feeling overwhelmed by the burn, life, and other influences. Volunteers will be here to hold space for you. Sanctuary is located by the lower fire pit, within sight of the Gate. Please ask a Participation Station volunteer for help getting there if you need it. We ask Sanctuary volunteers (first timers to veterans) to attend training before shift. **Trainings are Thursday-Saturday @ 1 PM @ Sanctuary.**

Contraband

If it's illegal in the State of Pennsylvania (and it still is), then it's Illegal here. Venue staff reserve the right to escort you off the property.

The Good Samaritan Law Notice

The Good Samaritan Law provides protection from prosecution for drug and alcohol possession & underage drinking - both for the victim and those who seek help for them - during an emergency. If someone needs medical assistance, seek help immediately. **YOU ARE PROTECTED BY LAW.**

Clothing

There is no clothing policy at Summerisle. However, please limit nudity to the event area. If you're in view of the road, cover your bits (Hint: Gate is by the road, so no naked at Gate).

Rake and Return

In an effort to preserve the ecosystem of Ft. Royale Farm, while ALSO making campsites safe to navigate, we enacted a "Rake and Return" policy per the landowners' request. If you choose to bring a rake to move leaves within your campsite, then as a part of your Leave-No-Trace final sweep, **you will have to rake and scatter the leaves back to where they were**. Camps that do not follow this policy may lose choice placement in the following year. Failure to return the leaves may mean that we are not allowed to rake our campsites in the future, so we thank you in advance for doing your part!

Water

One spigot is located at the Gate & Greeters station and one is between G&G and the Stage (former Gate) on the left side of the road. It's a long walk to and from the spigots, so BYOW! **NEW:** Our water is now treated with a UV light filter!

Ice

Ice is @ the Gate. If you bought it ahead of time online, your name will be on the ice list at the Gate. When checking in, you will receive ice tokens, 1 per bag purchased. These tokens will need to be turned in to the Gate volunteers when you come to collect your ice.

Limited bags of ice beyond online pre-purchases will be available for purchase at Gate and will last until it runs out. $5 cash per 7 lb. bag at Gate. CARD ONLY. NO CASH. **Per the ice listing on our Humanitix page, we only guarantee ice until 1 PM on Saturday, when the Gate closes for good.** After that, the coolers will be left unlocked for people to get their ice on an honor system. **All ice must be picked up by 11am on Sunday.**

Fire

Only registered theme camps may have camp fires. This rule is in our venue contract. Fire must be elevated off the ground in a firepit/bowl and not under any overhanging tree canopy. Camps must have 5 gallons of water or a fire extinguisher nearby. Fires cannot be left unattended - unattended fires will be put out. All cold ashes must be cleaned up and can be deposited at the venue's compost pile by the Stage. NO FIRES IN OPEN CAMPING OR IN RV LAND.

Firewood

Firewood is available for free in multiple piles located throughout the burn. You may also burn deadwood found on the land. DO NOT bring wood from outside the area due to the introduction of destructive invasive species that may live in the wood. NO OUTSIDE WOOD, FOR REAL. Also, please exercise caution when approaching ANY firewood pile - snakes love woodpiles.

Snakes

If someone gets a snake bite, call 911 immediately for an ambulance, while someone else goes to the nearest Pink Lamp Camp to alert the Pink Team. Keep the victim calm, with the bite below their heart. If it's only a snake spotting, do not call 911, but still go to a Pink Lamp Camp, turn the channel to "Florida Woman," and request a face-to-face at your location so the snake can be safely relocated. Keep an eye on the snake's location from a safe distance until help arrives. Per the land owners...DO NOT KILL THE SNAKES. They are part of a healthy ecosystem, and we are in their space.

Toilets

Please do your part to keep the porta potties clean and in working order. ONLY single-ply toilet paper in the potties! NO: two-ply paper, cigarette butts, wipes, feminine hygiene items, condoms, food, cans, etc. Anything else could clog the trucks that remove the waste. **Toilet paper will be in clearly marked bins near the porta potties for easy reset if you see a porto is out.** If you see a problem with the portos or someone abusing them, please report it @ the Hive ASAP or just publicly shame the guilty. **CLOSE THE TOILET LID AFTER YOU'RE DONE TO HELP KEEP THE ~STANK~ OUT!**

Handwashing Stations

Handwashing stations are located next to the Porto Banks. These sinks are our best line of defense against the spread of illness, so wash your fucking hands...please. **DO NOT use sinks for bathing or dishwashing.** That's gross and we need them clean to not get the Noro. Please take any napkins with you if you choose to use them and dispose of them at your camp – that's your MOOP now.

Leave No Trace

Matter Out of Place (MOOP) - We **don't** have a dumpster, so please take your trash home and do a MOOP sweep of your camp before departing. To prevent buildup of trash during the event, please consider taking anything with packaging out of its plastic/container when packing for the event.
Ashes - At the end of the event, mix your leftover cooler ice with your fire's ashes and add it to a compost bucket or to the venue's compost pile @ the Stage.
Gray water - Water with chemicals, food debris, human waste, etc. is NOT okay to dump here. Pack graywater with food, chemicals, etc. to take home.

Sound Policy for Sound Camps

Music can start at 10 AM. each day. Speakers must be aimed in a North/Northwest orientation at all times. When in doubt, point them up the mountain. Turn very down (or off) on Burn Night (Saturday) for Effigy Burn and on Temple Night (Sunday) for Temple Burn. No unattended amplified sound at any time. No amplified sound after midnight from individuals or camps not registered as a sound camp or outside of Thrill Pill, our new intermediate sound neighborhood.

In Oontzylvania and The Crawl at camps that are registered as Sound Camps:

- On Effigy Burn Night (Saturday) amplified sound and subwoofers will be allowed until 3:00am. At that time, subwoofers will need to be cut off, but music can continue on at a level near the crossroads of party and peaceful.
- On all other nights, amplified sound and subwoofers will be allowed until 2:00am. At that time, subwoofers will need to be cut off, but music can continue on at a level near the crossroads of party and peaceful.

In Thrill Pill, our new intermediate sound neighborhood next to Chill Pill:

- **Thursday, Friday, and Sunday:** Subwoofers off at midnight, reasonable amplified sound until 2 am. All sound off at 2 am.
- **Burn Night (Saturday):** Subwoofers and amplified sound until 2 am. All sound off at 2 am.

In all other areas of the event at all other theme camps:
All amplified sound and subs will be permitted until sound cut OFF at midnight. After midnight, any sound will be permitted noise contained within camp, with only negligible noise evident at the boundaries of the camp. This excludes Sanctuary and official "Quiet Open Camping" areas.

If we receive valid concerns or complaints about sound, we will take them seriously and act, but we also expect the community to work together in both expectations and actions.

Fire Performers, Safeties, & Perimeter Volunteers for Burn Night

***REQUIRED* Conclave Safety Meeting for performers, safeties, & Effigy perimeter volunteers is on Saturday 2 PM @ the Effigy. TEMPLE Perimeter safety meeting will be Sunday 4 PM @ the Temple.** All ages and skill levels are welcome as we prepare for a fantastic way to celebrate our community and gift your art. Please bring your own safety if you can. **THIS IS THE ONLY CHANCE TO RECEIVE A SAFETY WRISTBAND. YOU WILL NOT BE ALLOWED PAST THE SAFETY LINE WITHOUT ONE.** *Drummers do NOT need to attend this meeting as they will be outside the safety line.

Burn O'Clock Protocol

Burn Night: Sound camps, please turn down volume at 8 PM. Sunset starts at 8:45 PM, so DOUSE ALL FIRES and head to the Burn Field at 8:30 PM to catch the Conclave performance before the Effigy Burn. Listen for the drumming!
Temple Burn: Sound camps, please turn down volume *and* subs at 8 PM. Processional to the Temple will begin at 8 PM, with the Temple Burn happening around 8:30 PM.

The 11th Principle is Consent

We are a long-standing burner family and we take consent violation issues seriously. To report a consent violation at the burn, you can go to the Hive and talk to a volunteer at the Participation Station, who can then give you a physical form to fill out. After the burn, you can report via a form on our website, located in the “Consent & Civic Responsibility” section.

The Summerisle Burn Board of Directors, serving in their role as conduct committee, will not pursue legal action against any individuals. Any information provided will be used to determine if the consent violation warrants action that may range from a Board of Directors arbitrated restorative justice session with the alleged violator(s) and victim(s), to an outright ban from future Summerisle events. So one more time for those in the back....**THE 11TH PRINCIPLE IS CONSENT**.

Theme Camps for Summerisle 2026

✔️ = Veteran Camp of Summerisle
🎵 = Sound Camp
💗 = Pink Lamp Camp (PLC)
💡 = Illuminator Camp

The Alphabet Cookout ✔️🎵

The Alphabet Cookout is a camp that is by and for BIPOC and/or LGBTQIA+ folx, as well as our accomplices and allies. From games to challenging conversations and sing-alongs, we seek to foster intersectional communities by individually and collectively working and playing hard together. We're serving culture not food.

Aural Exploration ✔️🎵💗

Come explore our sonic oddities and stimulate your auricles, nothing but good vibrations and ambient ululations here. Leon Theremin's Haunted Record Player will be back this year, along with miscellaneous other eardrum ticklers and activities.

The Body Electric!

We are a group-oriented, multi-handed, powered-percussion healing camp offering late-night, guided, deep-tissue massage sessions

The Bourbon Brigade ✔️+🎵💡

The Bourbon Brigade is back once again to wow you with an eclectic lineup of music DJ's and drinks! We have a packed schedule this year with a few fun surprises, so come on down, and have a drink with us and enjoy some of the good vibes.

Brrrly 10 Pint Men ✔️💗💡

Another year of Brrrly 10 Pint Men food, drink, and general merriment. Stop by or stay awhile ---the more the merrier really is our mantra. While Erik is away on family business, the mice will play. Still debating whether we are going with our world-renowned ribs or mixing it up with flavors of Andalusia (Mouse lived there for years in a past life), so flexibility at this time is key.

Café Devito ✔️

Come quench your thirst for talk or tea, as you sit amongst the Dannys 3. A latte iced, or coffee hot, a cozy space to hatch a plot. We await your presence eagerly, a cohort of baristas beneath the trees.

Camp Firestarter ✔️+

Against the advice of our lawyers, RangerBob and Camp Firestarter will return once again to provide fumble-fingered firestarting people the chance to not look like a pyro-noob! Look for the minion and close by will be our annual offering of wax-coated fire genius.

We're hoping to be in the same general area, close to a shuttle stop and porto-potties so we are the one-stop help spot for all new Burners. Stop by, grab a couple of fire starters, and sign the logbook. Have ugly candles at home? Bring them with you and dump them on us! We repurpose that wax, combining several Principles at once, and you get to experience the joy of Gifting! Happy Burning to you all!

Camp Jellyfish ✔️🎵💗💡

Camp Jellyfish is a chill space to hang out while we encourage you to participate in our random shenanigans and fuckery.

Camp Lamp

Calling all bugs, moths, critters and creatures who love a good living room atmosphere! Welcome to CAMP LAMP, where, you guessed it, we have lamp. All the lamp you could want, and then some. Buzz on up to the lamp lounge and take a load off amongst our expertly curated supply. We'll even have a special guest star: M.O.T.H., aka, "Mother? Obviously, That's HER," your grandma's favorite frilly lampshade, blown up to spectacular scale.

If you build lamp, they will come, or that's what ole Gram always used to say. We'll have relaxing soundscapes, pop-up opportunities for anyone who would like to rent out the coolest spot in town, and even events such as the Moth storytelling hour, which we wanted to run anyway but fit real well into this bit.

Camp Nama'Stay in Bed 💡

We are going to do a little of this and a little of that, and occasionally have a Crafternoon activity. We are laid-back and family-friendly. We are groovy and a lot of fun. Check us out.

Camp Nasty ✔️

Your nastiest self is your truest self. Come be that with us.

Camp Stay Weird

We offer drink, food, and a place to recharge–whether it be you or your device. We will help anyone who needs anything, even if it is just a place to chill.

Carrot Flower Castle ✔️ 🎵

Follow the enchanted garden path through the glowing twilight arch–where sounds are transmitted live from the portal's edge. Lay down your burdens and float with the flowers. Imbibe in our nourishing bubbly ferments crafted lovingly from the hands of carrot. Root down in our glowing haunt, where the vibes are high, and the BPMs are low.

Cenosilicaphobia ✔️+ 🎵💗

We are a burner camp dedicated to the fine art of the homebrew, and to finding the best damn company to share it with. Do you, too, suffer from cenosilicaphobia (fear of an empty glass)? Bring your lonely mug by, and we'll put your fears to rest. We're serving up beers and meads, all brewed by camp members, and putting on some pretty rad happy hours. We guarantee we've got something for everybody, and if you prefer not to imbibe, scope out our exceptional drum workshops, blues dancing, fire spinning, and more!

Chaos Camp

Karaoke, crafts, and poetry...we're all over the place! Chaos reigns! Silly vibes only (we take this very seriously.)

CHIM ✔️

Lord Summerisle spoke to the Lobbyist of the Coincidence Guild: "Is not the sudden revelation of corresponding conditions and disparate elements that gel at the moment of the coincidence one of the prerequisites to being, in fact, coincidental? Synchronicity comes out of repeated coincidences at the lowest level. Further examination shows it is the utter power of the sheer number of coincidences that leads one to the idea that synchronicity is guided by something more than chance. Therefore, synchronicity ends up invalidating the concept of the coincidental, even though they are the symptomatic signs that bring it to the surface." Thus was coincidence destroyed in the land of CHIM.

THE CIRCLE

Tired of the sharp edges and pointy angles of life? Do you feel like you're too square for this globe we call the world? Would you perhaps rather be bouncing around instead, as if you were... on the moon? It's time to devote yourself to THE CIRCLE. THE CIRCLE expands eternally, engulfing all in its peculiar roundness. The world is better within its warm circumference. Ratios are sometimes irrational here, and that's okay. Come see what's at the center of it all. THE CIRCLE embraces.

Corn H.O.L.E.

Corn HOLE invites you to shuck your burn. We are a tiny outpost of husk-fueled absurdity. We celebrate corn, holes, and all things in between. Stop by for a game of Corn Hole™, an earful of corny nonsense, and embrace the cob with us.

Cosmic Sublimination

Home to the Cosmic Sublimation photo project

Crafty Bastards

Come join the Crafty Bastards and make stuff! Fabric! Paper! Paint! Pencils! Other stuff! Leave your creations in our Tiny Art Gallery or take something home with you! Serving tiny Craft Cocktails!

Dadget and the Sleepy Wizards

We like to think of ourselves as a little cloud that drifted down the mountain to chill - a soft offshoot descended from the thralls of sound camps and our parent camp, Thumbs You I Am A Wizard (or just the Wizards, if you know, you know). We floated down from the "louder magic" to make room for a "gentler spell": neighborly enchantment, fizzy hydration, cozy creativity, and the sacred art of being a little sleepy on purpose.

Dadget and the Sleepy Wizards is a warm, magical chill zone for sleepy and awake souls alike, time travelers or stuck-ers, and anyone who needs tomorrow to come on a softer setting. Our vibe is simple: "Wake up, it’s tomorrow — but we are sleepy."

The Deadly Mint ✔️🎵💗💡

Due to a freak transporter accident, The Mint & The Deadly Moppets have become... The Deadly Mint! A place that can only be described as a cross between The Overlook Hotel and the Hotel California, the Deadly Mint exists for the hedonistic pleasure of its guests. Relax in the Moppet Lounge, have a cocktail at the Mint Fire Bar, or shake your booty on the dancefloor. Don't forget to try your luck at the casino!

Devils Doorstop ✔️+🎵💡

Come try your luck on the wheel of misfortune, fill your cup, and stay awhile.
Our impish ways and joyful bards are sure to make you squeal and smile.
The Devil's Door is open wide and keen for you to
come inside
Out past the edge where pavement forgets,
where trees grow thick, and the air stays wet,
there's a bar that leans like it learned from the pines,
all crooked beams and indelible times
Doors stand scattered among the trees—
not in walls, but freestanding, free
One leads in to drinks and cheer,
drinks passed round, good company near.
Another door hums low and slow,
with a skillet's sizzle, a steady glow—
garlic, butter, charing meats
the kind of smell that pulls you deep.
The doors don't close—they just appear,
wherever someone needs one near—
in woods, in bars, in hearts unsure,
offering drink, and something more.
So come on dahn to the Devil's Door
And see what we have in store!

Dirt Go Brrr ✔️🎵💗💡

Do you hear the Thunder Down Under… do you want to party until your heart desires?
Come on down to dirt go brr

Easy Bake Coven ✔️

FlameBuoyant ✔️

FlameBuoyant is a group of queer and queer-positive folks as fluid as the shifting sands and tides. We celebrate all forms of flow arts from fire, to silks, glow toys, and everything in between! We will have some props available for those new to flow arts to experiment with and veteran performers to provide some lessons and practical advice. We offer our fire circle for nightly flow art practice with trained fire safeties courtesy of our friends in Pengu. Daytime is for chilling out and maybe some friendly competition playing prosecco pong. Look for the color, join for the fire, stay for the company.

Flat Mars Society ✔️🎵💡

We are representatives of the Flat Mars Society. We come to spread the truth about our little red disc, because for some reason, everyone here thinks it's round. Foolish oblate spheroid-ists! We bring ice cream and cold root beer to share, for as hot as it is here, it's cold as fuck on Mars, and we think you need a reminder.

Floralicious

What is Flower-rina land? We don't know either, but we know there will be fun arts and crafts, and maybe even Arts no one cares about anymore, like Ballet and Opera. And some mocktails, light beverages, bright colors, and a gumball machine.

Loud Erudite Goblins on Fire ✔️+💗

We must not look at goblin men; we must not buy their fruits: Who knows upon what soil they fed their hungry, thirsty roots?” Would you like to make a deal? Goblins are good at making deals. Among the things we accept as payment are songs, promises, locks of hair—you name it. Our services are world-infamous. Curses and demi-curses half-off on Saturday. Inebriated fortune-telling may happen whether you want it to or not.

Mad Tea Party ✔️💗

Have you followed the White Rabbit? Are you lost? Or maybe trying to find yourself? Are you too big? Or too small? Do you even know Who… U… R… ? Or why you are here (at Summerisle, on this planet, in this universe)? Maybe you simply need a place of respite or a moment to sit by the fire before you move on. Perhaps a lovely cup of tea will hit the spot. Whatever your reasons, whatever the hour and whatever your curiosities, you'll always be welcome at the Mad Tea Party, morning, noon, and night.

The Matriarchy ✔️

The Matriarchal Goddesses Training Camp aka The Matriarchy is made up of a group of Bad Ass Bitches, all the queers and good bois who serve. We are an inclusive group of Goddae who channel Divine Feminine Energy.

The Matriarchy is a more equitable way of living for all humans. We flip the script on the patriarchy by intentionally decentering patriarchal norms to make space for our feminine magic to rise!

We make our presence known at regional burning man events where we co-create a space rooted in consent, creativity, and community care. Our gifts to the community are a cuddle puddle, workshops, meditations, menstruation stations dispersed throughout our small city, and delectable treats served on a silver platter.

Call: All Hail the Matriarchy!
Response: All Hail!

Something Wicked This Way Camps 🎭 Double, double, soil, and shovels; Effigy burn and campfire bubble! 🫧

Welcome back to Theater Camp!, where prophecy, performance, and vaulting ambition meet deep within the verdant paces of Summerisle. This year, we bring Burn-ham Wood to Dunsin-stage with our Friday night production of Shakespeare’s Macbeth. Murder, witches, ghosts, tyranny, and questionable decision-making await!

Throughout the Burn, join our group of hardcore thespians and motley ragamuffins for workshops, open mics, karaoke, ghost stories, kinky drinks, spontaneous jam sessions, and anything else that can happen on (or off) a stage. Step into the chaos, tempt fate, and remember: by the pricking of our thumbs... the campiest, most wickedly delightful camp this way comes!

Thumbs You I’m a Wizard✔️+🎵💗💡

Welcome to Thumbs You I'm A Wizard. We are the O.G. Wizards, a.k.a. FUIAW and then The Wizards. This year, trying on a new name iteration merging the FUIAW and The Wizards' ethos of energy, cheeky, bawdy, zen, empathetic, frivolity, and fun. Come visit your old friends here and see the only thing that has evolved this year is the name. Looking for to seeing you.

U-Can-lele ✔️

Offering ukulele lessons, jams, workshops, and more G strings than at least some other camps! We have loaners (ukes, not G strings), but please feel free to bring your own if you have one! (Donations accepted!) We also have a selection of games to play spontaneously, or join us for D&D/other RPGs- the DM is a bard!

Underground Martiki Bunker 💡

Are you an affectionate anarchist? Dedicated to a way of being that’s entirely full of love and safety, while at the same time completely crazy and chaotic? Slink over to the Underground Martiki Bunker for a sophisticated appreciation of nonsense and absurdity. We’ll be serving high-octane tiki classics plus some concoctions of our own design.

Wine & Compliments

We’re serving homemade fruit wines from the Wineman’s Cellar every evening right before the sun sets if we’re feeling up to it! Have a compliment? Give a compliment! Need a compliment? Get a compliment! It’s Wine & Compliments!

The Witching Hour

It's the middle of the night, when you should be at your most powerful. Unfortunately, you must be out of mana because your spellcraft feels groggy, and its getting harder to read the tea leaves. Come recharge your energy at The Witching Hour where our ghouls and goblins will be crafting caffeinated potions of restoration when you need it most - deep into the night.

WLMZBRG

Join us for BSHWIJK Bazaar--a clothing rack to peruse. WLMZBRG Bar has Short-Attentionspan Low-Intensity Boardgames plus daydrinking each morning. Beermosa Radlers Shandy Spritzers. Temple

Value of Rest

Vanessa Spring-Frank

The feeling I get when I enter any temple as a sacred place, is a place of quiet veneration to contemplate my life. A sacred place to get away, to return to myself, and give time to reflect back on who I am and re-evaluate my life and purpose. This temple focuses on the value of “rest”. In creating a nature bed I wanted to portray the idea that we start and end our lives in the humble bed. To sleep, dream, conceive, repose, “veg-out”, it is the first thing we think about in the morning and the last thing we hope for at night. To be able to see the value of rest as a sacred monument.

While it is a humble depiction, I wanted to evoke a dreamy quality coming back to nature. To give us a moment to value our time, and return to our natural selves. I invite you to lay down and look up at the clouds and reflect on the business of your life and breathe into the moment as an escape.

Once enraptured by our goods and services, the treasures and wisdoms of Goblinfolk, we will help you understand decommodification by rejecting your filthy human currency in lieu of your golden memories, silvery songs, and bronzed baby shoes. However you come across us, we'll make you a deal you'll never forget, and promise that all of our wares are not (very) cursed.

No Returns, No Refunds, only Exchanges. Limited Time Offer, Terms and Conditions May Apply. Goblins are not Liable for Events. Time is an Illusion. See Sign for Details. Your Fun May Vary, Ours Is More Reliable. Members GFL-CIG, Local #54.

10:00 PM-1:00 AM | Koda's Magickal Potion Bar @ Thumbs You, I'm a Wizard! (21+)
Step into the Thumbs You, I'm a Wizard-verse, where the Potion Bar flows with enchanted vino, bubbling mischief, and a little something suspiciously called Ogre Snot. This year, Master Rilix has leaned deep into the wine cellar, conjuring a spellbinding lineup of cherry wines, Riesling and Vidal Blanc hybrids, and other curious creations poured as supplies allow. For the brave and bog-minded, Ogre Snot returns in all its swampy glory: lemonade and spiced rum, naturally. Come sip, swirl, and savor your way through the evening among music, firelight, friends, and Wizardly hijinks. Which potion will choose you?

Bust out your quarter zips and new balances and come dressed as your best Dad. Come chat about the weather and lawn mowing techniques while The Bunker whips you up a Ye Olde Yinzermaker (shot of Whiskey and an IC Light). 12:30 PM-2:00 PM | Matriarchal Meditation @ Matriarchal Goddesses Training Camp
Nourish yourself with our signature snacks on gilded platters, and wash away the dust of the burn with one of our cool facecloths dipped in witch hazel and essential oils. Relax into a guided meditation infused with the sounds of crystal singing bowls. Be bathed by the vibrations of their unique grounding energies. Prepare yourself for the temple burn.

12:00 PM-3:00 PM | D&D With a Bard @ Camp U-CAN-LELE
Hear ye, hear ye! Your druid bard dungeon master Four Strings is back with more D&D this year! Join us for a 5e one-shot (or possibly another similar system) where everything- dice, pre-made characters, minis, etc- will be provided for you. Feel free to bring your own, if you so choose (most games are suitable for level 5.) Beginners and experienced players welcome!

1:00 PM-2:00 PM | Tarot In The Round Workshop @ THE CIRCLE
Tarot Readings are enlightening when the cards have two possible shades of meaning: one for upright and one for reversals. But with circular tarot cards the possibilities are endless. Each tilt imbues a different shade of meaning, giving deeper clues to what's really going on. Come see what it's all about as Alas passes on wisdom received from a very wise mentor whose mission is to bring more people into this healing and transformative art form. What to bring: a sense of curiosity, round tarot card deck if you have one, and a chair or blanket to sit on in case we run out of space.

2:00 PM-3:30 PM | Bubbles & Bass @ Fetch (21+)
Come sip on some bubbles while we blow bubbles and shake our bubble butts to some sick beats. Please note that this is an adults only event. We will have bubble fluid, bubble wands and a variety of different fun ways to surround yourself with bubbles and whimsy! Feel free to bring any bubble-related items you'd like to share with the group!

2:30 PM-3:30 PM | The Mountain Goats Power Hour @ Theater Camp!
During power hour we only listen to The Mountain Goats! We'll play some old, some new, some deep cuts, and we'll of course finish with the perennial hits. Sing along if you know the words, or just chill and vibe. If you have a specific request I'll do my best to accommodate. There's gonna be a party when the wolf comes home!

4:00 PM-4:30 PM | 🔥 Temple Perimeter Line Volunteer Safety Meeting 🔥 @ The Temple
Mandatory for all volunteers that have signed up to maintain the Temple Perimeter line. We will discuss the proper safety techniques & tactics for the safety of our Community.

4:00 PM-5:30 PM | Star Search Open Mic @ Theater Camp!
A stage. A PA system. A jury of your peers. Tables?
Come perform, spectate, or pass official judgments on those who brave the stage!

5:00 PM-7:00 PM | grilled cheese grilled cheese grilled cheese @ Flaketown
Yoooooo this is crazy, but if you're feeling hungry in the evening, you should come by Flaketown and get a grilled cheese sandwich. Do that silly thing where you bite into it and stretch the cheese out super far. Yeah! GF bread and vegan cheese are available!

7:00 PM-7:40 PM | Cacao Connection Ceremony @ Camp You Are Here
Wind down your day and open and turn your heart toward the Temple Burn with a Cacao Connection Ceremony which will use the heart opening medicine of the cacao to prepare and ground you while we take time to connect with ourselves, the earth and the cacao. We'll add ribbons of connection to the "cacao tree" and drink cacao together.

8:00 PM-9:30 PM | 🔥 TEMPLE BURN 🔥 @ The Temple
The Temple Burn is a burn tradition that offers participants a period of time to quietly contemplate and reflect as it burns. It is a solemn moment in which our burn comes together in a way that contrasts to the up-tempo, celebratory mood of Burn Night. Temple Burn is a (mostly) silent affair, with no extended conversations until the end.

Sound travels far and wild on the burn field, so we kindly ask all participants who approach the Temple Burn to please respect the occasion and keep loud conversations, laughter, and other noises down or to another area of the burn.

9:28 PM-10:00 PM | Bun No Dog @ Around the burn after temple
IYKYK

9:30 PM-11:00 PM | Hot Dog No Bun @ Around the burn
Wandering around the burn after the temple? Listen for the call. Greet warm tender flesh amalgam with your willing palm. Consume and be released. No bread buns permitted. Bowls and cups tolerated. Flesh buns? Will consider.

10:00 PM-11:30 PM | The MOTH Storytelling Hour @ Camp Lamp (18+)
Bring a story; we want to hear it. All genres, all subjects, no rehearsal required. If it means something to you, then it will mean something to us. Poems or songs sung with no instrumentation are also welcome. This type of event is also known as a bardic.
This event will start after the temple burn is finished and we make our way back to camp; we'll aim for 10, but consider burner time.

10:00 PM-1:00 AM | Star Trek Movie Party @ The Deadly Mint (21+)
Gather 'round, fellow adventurers of the cosmic abyss! Prepare yourselves for a voyage beyond reason, where warp drives hum and stars shimmer with doom. The air crackles with anticipation as the projector whirs to life, casting flickering shadows like ancient hieroglyphs of the future.

First, we dive headlong into the existential chaos of the Star Trek Universe, where every phaser blast rips a hole in your perception of reality. But don't get too comfortable—because after we boldly go, we crash-land into Muppets in Space, where the laws of physics bow before the power of felt. Expect weird science, questionable space ethics, and possibly Rizzo ascending to godhood. It's a night of cosmic cinema, absurd adventure, and felt-based enlightenment.

11:59 PM-1:00 AM | The Midnight Society @ Theater Camp!
Bring your first, second, and third hand accounts of the supernatural to our fire. Have you seen ghosts, aliens, or experienced time distortions? If you've spoken to an entity or believe you have a personal relationship with an AI tell us about that too, we want goosebumps. Spooky musicians are welcome to accompany our fire.
